

**Early Childhood Language Program  
German for the Young Child  
3 – 6 Year Olds are Welcome  
Beginning January 2012**

Beginning in January, Frau Daniela will begin a German language program for 3 – 6 year olds. A native born Austrian, Frau Daniela has taught German in the grades for several years, is the Sea Star Kindergarten teacher and has been teaching early childhood for 30 years. The purpose of the German program is to provide a playful and relaxed opportunity to learn or deepen the child’s knowledge of the German language for both native and non-native German speakers. Special care is given to create a play environment that is beautiful, unhurried and secure. Our classroom provides a home-like setting that encourages the unfolding of the imagination through rich exposure to language, culture and the natural world.

The schedule for the afternoon has a breathing rhythm of active, outgoing activities balanced with quieter, more focused activities. As everyone arrives and settles in, creative playtime occurs for the children. They will participate in a circle of German songs, verses and finger plays and enjoy a healthy snack. We end our class with a German puppet story time and then outdoor play.

Tidewater reserves the right to cancel programs due to insufficient enrollment.

**No adjustments are made for absences, withdrawals or dismissals. However, if Tidewater cancels due to inclement weather or teacher illness we offer a make-up.**
